

WPS MedicareRx PY2019 Training Information

WPS Certifications can be completed online or in-person. The in-person training will require an online test in addition to the in-person training.

Online/In-person Registration website: <https://secure.wpsic.com/content-wps/agent/pdp-training.shtml>

Online: The recorded online session may be viewed at your convenience. Please be aware that online training is not a CE course, and does not qualify for CE credit. To complete the online training click on the registration website link above. Complete the registration form, and then make sure to select: ***I will participate in online training.*** Click on **Register**

IMPORTANT: You must take the online-only test to become certified. This test will be made available to you *after* you have participated in training.

I will participate in online training.
 Online training will be made available in early September.
 Online training does not include CE credits.

In-Person: The in-person training will include Continuing Education credits for WI agents only. A total of 3 CE credits will be issued for attending and satisfying all the requirements of the in-person training. The in-person training will require an online test to complete the certification requirements and become ready-to-sell. To register for the in-person training click on the registration website link above and complete the registration form and Click on **Register**
